

Very Distinguished. Very Accommodating.

Following are just a few of the DiRoNA Award recipients who are pleased to accommodate both non-smokers and smokers:

Restaurants which have received the prestigious DiRoNA Award of excellence from Distinguished Restaurants of North America are known for their attention to every detail. That includes elegant decor. Exceptional cuisine. Attentive service. And a commitment to accommodating their customers' every preference, including their choice to smoke or not. That's why more and more distinguished restaurants are displaying the symbol of The Accommodation Program. Wherever you see it—whether you're a non-smoker or a smoker—you'll find a very accommodating atmosphere. For free information about accommodation, please call 1-800-494-7444.
